Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F 884	SUMMARY STATEMENT OF DEFICIENCIES (EACH DEFICIENCY MUST BE PRECEDED BY FULL REGULATORY OR LSC IDENTIFYING INFORMATION) Continued From page 1 This REQUIREMENT is not met as evidenced by: Based on record review, the facility failed to report complete information about COVID-19 to the Centers for Disease Control and Prevention's (CDC) National Healthcare Safety Network (NHSN) during a seven-day period that reporting was required by regulation. The CDC submitted data from the NHSN to the Centers for Medicare and Medicaid Services (CMS). Based on review of that data, CMS determined that between 10/30/2023 and 11/05/2023, the facility did not report complete information to NHSN about COVID-19 in the standardized format and frequency as specified by CMS and the CDC. This failure to report has the potential to cause more than minimal harm to all residents residing in the facility.
