F0000	INITIAL COMMENTS On 8/24/26 the State Agency (SA) conducted an onsite revisit for the annual recertification/complaint survey completed from 7/28/26 through 7/30/28. The information reviewed confirmed the facility had put measures in place to correct the deficient practice and sustain compliance with Medicare and Medicaid requirements of participation as of 8/21/26. However, the facility remained of compliance with Life Safety Code until 09/08/2026. The SA is recommending that your facility be placed back in compliance effective 09/08/2026.			F0000			

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
