Permit/Recommendation

This document is proof that a Notice of Intent has been filed as per
Section 41-67-5, Mississippi Code of 1972, Annotated

The Mississippi State Department of Health has examined the soil and terrain of the property indicated below. The following recommendations are made using soil and site analysis principles and our best efforts. The Mississippi State Department of Health makes no warranty or representation as to any wastewater system installed. **Recommendations may be voided if grading or fill changes the soil characteristics or if plat (dwelling or private water well) is changed and/or relocated.**
If you have any questions about your Permit/Recommendation, please contact the environmentalist of record. Current Certified Installers can be verified from www.healthyms.com/wastewater or verified by environmentalists.

Next Steps:

Please make several copies of this document (Permit/Recommendation), and supply to the following if applicable:

* Public utility supplying water, to receive a water meter
* Certified well driller, if water source is from a private well
* County Code Office (Planning Department), placement/building permit
* Certified Installer, for installation

REMINDER: Approval of the design, construction or installation of an Individual On-site Wastewater Disposal System by the Department is required. The Certified Installer is responsible for notifying the Department 24-hours before beginning installation of your Individual On-site Wastewater Disposal System and, at that time, to schedule a time for inspection of the system with the Department.

After the inspection, you must provide the Department with the following to obtain Final Approval:

* **Affidavit - Installation (From the Certified Installer)**
* **Affidavit - Maintenance (From you, if an Advanced Treatment System was installed)**
* **An additional fee of $97.50 may be required for Final Approval, if not paid with initial application (Please see "Application" box on this form).**

PLEASE BE AWARE, the Department cannot give Final Approval to any installation that occurs without inspection by the Department at the time of installation.

REMINDER: If any person or Certified Installer fails to obtain Final Approval or submit an Affidavit of proper installation to the Department in the installation of the system, the Department, after due notice and hearing, may levy an administrative fine not to exceed $10,000.00. Also, if any person is operating in the state as an installer without certification by the Department, the Department, after due notice and opportunity for an administrative hearing, may impose a monetary penalty not to exceed $10,000.00 for each violation as per Section 41-67-7(4) and 41-67-25(8) of the Mississippi Individual On-site Wastewater Disposal System Law.
